Frequently Asked Questions About This Worksheet

Please fill the worksheet out as completely as you can. **Providing as much information as possible will help us process your case more quickly and efficiently.** You will have several opportunities to review and change this information before we file your Petition with the Bankruptcy Court.

1. **Do I have to list all of my creditors?** Yes. You are required by law to list everyone that you owe money to. Your creditors will be treated differently according to your intention (for example, you may want to keep your car and continue making payments on it) but all must be listed in your paperwork.
2. **Should I keep making payments to my creditors while you are working on my case?** You must maintain payment to any creditors that you are paying for property you plan to keep (for example, your house, car, furniture, appliances..). If you know that you are going to file bankruptcy, **you need to stop using your credit cards and unsecured accounts, and stop paying any unsecured creditors.** This would include medical bills, credit card bills, or any other bills that are considered “unsecured.”
3. **I don't know all of the addresses for my creditors.** We must have complete addresses for all your creditors. In addition to addresses, dates are very important too. We do not need to know the exact date you incurred your debt, just the approximate year in which the debt began.
4. **How soon will you have my paperwork filed with the Court?** Your paperwork will be filed as soon as the following is complete:
 - a) All requested documents have been submitted to our office
 - b) The fees have been paid in full
 - c) You have had detailed reviews with the Attorney working on your case. This appointment usually takes two hours one day one hour the next.
5. **What should I tell my creditors?** If you have paid the \$100 retainer fee, you will be registered in our data base. From that point on, you may refer creditors to our office. We will verify you have retained **The Banning Law Firm** to represent you in your bankruptcy.
6. **Once I submit this paperwork to your office, will that stop any garnishments/foreclosures/reposessions?** No! You are not legally protected until your Petition has been filed with the Court. Before we can file your Petition, you must go through the steps outlined in Question #4
